Now, therefore, notice is hereby given, that, under and by virtue of said decree, GEORGE SWOPE, therein named, will, on THURSDAY, the 13th day of October, A. D. 1870, at 12 o'clock, expose to public sale, by public vendue or outcry, the whole of the railroad, together with the lands, rights of way, bridges, culverts, trestlework, machinery, depots, grounds, and buildings situate thereon, and also all the tolls, issues, income, profits, rights, privileges, and franchises, and also, all the cars, engines, locomotives, tenders, or other things used in the business or management of said railroad and its appurtenances, at the Merchants Exchange in the city of Philadelphia.

There is a barrel of excellent water standing in the kitchen all the time, suitable for cooking or washing. From the house the water is carried by lead pipe to a trough in the barn yard, thus furnishing plenty of water all the time for all the stock. Medical.

Baltimore Lock Hospital.

DR. JOHNSTON,

Physician of this celebrated Institution, has discovered the most Certain, Speedy, Pleasant and Effectual Remedy in the World for all

DISEASES OF IMPRUDENCE.

Weakness of the Back or Limbs, Strictures, Affections of the Kidneys or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the heart, Timidity, Trembling, Dimness of Sight, or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from Solitary Habits of Youth—SECRET and solitary practices, more fatal to their victims, than the songs of the Syrens to the Mariners of Ulysses, blighting their most brilliant hopes, or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

especially, who have become the Victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or Young Men contemplating marriage, aware of Physical Weakness (Loss of Procreative Power—Impotency,) Nervous Excitability, Palpitation, Organic Weakness, Nervous Debility, or any other disqualification, speedily relieved.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidentially rely upon his skill as a physician.

ORGANIC WEAKNESS,

IMPOTENCY, LOSS OF POWER.

Immediately Cured, and Full Vigor Restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgences.—Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny, that the power of procreation is lost sooner by those falling into improper habits, than by the prudent? Beside being deprived of the pleasures of healthy offspring, the most serious and destructive symptoms of both body and mind arise. The system becomes deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, and Wasting of the Frame, Cough, Consumption, Decay and Death.

A CURE WARRANTED IN TWO DAYS.

Relief in Six Hours! No Mercury!

Persons Ruined by Ignorant, Trifling Pretenders, and their Deadly Poisons, should apply immediately.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London. Graduate of one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by improper indulgences and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

These are some of the sad and melancholy effects produced by the early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY.—The fearful effects of the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of Consumption.

YOUNG MEN

who have injured themselves by a certain practice, indulged in when alone, a habit frequently learned from evil companions or at school, the effects of which are nightly felt, even when asleep, and if not cured, renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons must, before contemplating

MARRIAGE,

reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view, the mind becomes shadowed to despair, and filled with the melancholy reflection that the happiness of another is blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds that he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, delaying till the constitutional symptoms of this horrid disease makes their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nodes on the shin bones and arms, blotches on the head, face and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in, and the victim of this awful disease becomes a horrid object of commiseration till death puts a period to his dreadful sufferings, by sending him to that undiscovered country, "from whence no traveler returns."

It is a melancholy fact, that thousands DIE victims to this terrible disease, through falling into the hands of Ignorant or Unskillful PRETENDERS, who by the use of that deadly Poison, Mercury, &c., destroy the constitution, and incapable of curing, keep the unhappy sufferer month after month taking their noxious or injurious compounds, and instead of being restored to a renewal of Life, Vigor and happiness, in despair leave him with ruined Health, to sigh over his galling disappointment.

To such, therefore, Dr. JOHNSTON pledges himself to preserve the most Inviolable Secrecy, and from his extensive practice and observations in the great Hospitals of Europe, and the first in this country, viz: England, France, Philadelphia and elsewhere, is enabled to offer the most Speedy, Certain and Effectual Remedy in the World for all diseases of Imprudence.

DR. JOHNSTON,
OFFICE, 7 SOUTH FREDERICK STREET,
BALTIMORE, MD.,

left hand side going from Baltimore street, a few doors from the corner. Fail not to observe the name and number.

☞No letters received unless postpaid and containing a stamp to be used on the reply. Persons writing should state age, and send a portion of advertisement describing symptoms.

There are so many Paltry, Designing and Worthless Imposters advertising themselves as Physicians, trifling with and ruining the health of all who unfortunately fall into their power, that Dr. Johnston deems it necessary to say especially to those unacquainted with his reputation, that his Credentials or Diplomas always hang in his office.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this establishment, year after year, and the numerous Surgical Operations performed by Dr. Johnston witnessed by the representatives of the press and many other persons, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

SKIN DISEASES SPEEDILY CURED.

March 11, 1870—1y1pr

AYER'S SARSAPARILLA,

FOR PURIFYING THE BLOOD.

THE reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it.—Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, which excites a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on a favorable occasion, rapidly develops into one or the other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of Sarsaparilla is advisable, even when no active symptoms of the disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLA: *St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,* and other eruptions or visible forms of *Scrofulous* disease. Also, in more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia,* and the various *Ulcerous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations,* and *Female Diseases,* are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout,* when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver,* and *Jaundice,* when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless,* and troubled with *Nervous Apprehensions* or *Fears,* or any of the affections symptomatic of *Weakness,* will find immediate relief and convincing evidence of its restorative power upon trial.

The Star and Sentinel.

ONLY WAITING.

Only waiting till the shadows
  Are a little longer grown—
Only waiting till the glimmer
  Of the day's last beam has flown;
Till the night of earth has faded
  From the heart once full of day,
Till the stars of heaven are breaking
  Through the twilight soft and gray.

Only waiting till the reapers
  Have the last sheaf gathered home;
For the summer time is faded,
  And the autumn winds have come;
Quickly, reapers, gather quickly,
  The last hours of my sad heart,
For the bloom of life is withered,
  And I'm longing to depart.

Only waiting till the angels
  Open wide the mystic gate,
At whose portals I have lingered
  Weary, poor and desolate;
Even now I hear the footsteps—
  And their voices far away;
If they call me, I am waiting—
  Only waiting to obey.

Only waiting till the shadows
  Are a little longer grown,
Only waiting till the glimmer
  Of the day's last beam is flown;
Then from out the gathering darkness
  Holy, deathless stars shall rise,
By whose light my soul shall gladly
  Wing its passage to the skies.

WAR RECORD OF THE Democratic Candidate for Congress,

16th District, Pennsylvania.

During the four years of war for the suppression of a wicked rebellion the present candidate of the Democratic Party for Congress was Editor of the Bedford *Gazette.* It is not our intention to make personal warfare or to indulge in unfounded charges. It is but just and right however that the people of the District should know where and how he stood during those times of peril to the nation. We know of no better way in which to exhibit his true position than to permit him to speak for himself. We therefore give below a few articles published by himself and in his own paper. We invite and defy contradiction. We give but a few and these are of various dates. The author, it will be seen, is a person very positive and determined in his opinions and views. If he was so terribly mistaken in 1863-4-5, may he not be in error now in regard to the views he entertains and the doctrines he advocates.

The first article we give will be found in the Bedford *Gazette* of Feb. 27th 1863 and read as follows:

B. F. MEYERS ON CONSCRIPTION.

"THE CONSCRIPTION BILL."

"We take up our pen not to condemn the measure whose title forms the caption of this article, but to warn Congress and the President against its passage.

"We have already denounced it as a bold infraction of the Federal Constitution and a contemptuous invasion of the reserved rights of the States. We have exposed its design to give the sceptre of despotism into the hand of the president, and have sounded the alarm to the people in regard to its insidious purpose towards the republic. But our duty does not cease here. We owe it, if not to ourselves and our fellow men, most certainly to "those in authority," to utter at least a word of warning to the men upon whose action depends the fate of the bill. We say to Congress, stay your encroaching hand, lest you wake the sleeping lion of Pennsylvania's pride. We say to the President make not a Dionysius of yourself for there are yet Damons among the people of the North who will dare to resist any usurper! Your design against the liberty of the people and the sovereignty of the States, is needless and wanton."

"You can obtain soldiers to carry on your war, by using the means which the Constitution provides, and by making drafts according to State regulations, or where none such exist, according to the laws of Congress in such case mad and provided. The people know this, and, therefore, regard this conscription bill as an outrage upon the State and as an attempt to rob them of their liberty. You have asked much of the people of the North, and much have they granted. You demanded their substance and they gave of it; you asked for their blood and they poured it out; and, now, after all their meek submission to your exactions, after all their ineffable suffering and privation you would wrest from them what they love better than ever family and friends, Constitutional freedom! Do not, as you value the peace of the North, the stability of the Government, nay, your very lives, imagine that our people are such slaves as to submit to so great a wrong! We say to you, in friendly caution, beware! The people sent their sons and brothers to die for you, when you pretended to fight for the right; they will die, themselves, rather than yield the right, and that, too, in defiance of any foe, be he perjured rebel or forsworn official."

It will be observed that this article appeared just before the passage of the Act of Congress to increase the army by Conscription.

Immediately thereafter the following article appeared in the *Bedford Gazette* of March 13th, 1863:

B. F. MEYERS ON PROVOST MARSHALS.

"The Conscription Bill recently passed by Congress, authorizes the appointment by the President of a Provost Marshal for every Congressional district, 'as fixed by law next preceding the enrollment.' This officer is to be a kind of general agent for the President, (or rather the Military Dictator,) and is to arrest deserters from the army, to detect, seize and confine spies, and to obey all lawful orders of and regulations of the Provost Marshal General. In short he is to be the ruler, owner and keeper of the people within the limits of his district, a pretty tyrant, uniting in his person the powers of a civil magistrate, the authority of a military commander and the functions of a police detective. When the President shall see fit to undertake an enforcement of the Conscription, we shall look with some anxiety and more curiosity for the name of the wretch who will not scruple to disgrace himself and the community in which he lives by accepting this odious office. *Let that man, whoever he may be, make up his mind that he can not live a peaceful life, nor die an honorable death.* Let him remember that he makes himself the hireling of usurped power, the minion of the enemy of popular liberty, the tool of a disgraced and doomed Administration. Let him remember that he becomes a voluntary instrument for the destruction of the Constitution, and therefore, that the very discharge of his official duties, makes him a perjurer and a traitor. And let him be warned that the people will not suffer him nor his master to wrest from them the rights guaranteed them by the blood bought institutions of their fathers. The name of the man who accepts this office will be a stench in the nostrils of every true friend of human liberty forever and forever! The finger of scorn will be pointed at him as a second Arnold, who would barter the citadel of his country's freedom for the gratification of his own avarice and ambition. The people will brand him with shame, for to do so is their only defence against the usurpations of power. They will put a scorpin's sting into every pore of his body. Men will turn from him in loathing and disgust, shunning the contaminating touch of his political leprosy. The lash of popular indignation will pursue him, through the world, his effigy hanging in every town and his name a bye-word among the people; and eking out a miserable existence, he will go down to the grave, unwept by friends and unhonored even by partizans."

Immediately after the Presidential election of 1864, the Editor of the *Gazette*, became exceedingly Pious and began to prophesy. Witness the following which appeared in his paper of Nov. 11 1864.

CARTHAGO EST DELENDA!

The die is cast. From this hour the Republic is dead. Weep, oh ye heavens, and shroud the earth, ye clouds, for the last best earthly hope of civilized man, is encoffined in the usurpation which has resulted in the continuance of Abraham Lincoln in the Presidential office! Clank your chains, oh miserable slaves! Their grating sounds are the music which delights the ear of your emperor and his vice-gerents. March on, ye victims of his conscription! The bayonets that bristle at your backs, are the loveliest sight that can greet the vision of the Christian admirers of him who calls you from wife and children, to the enfevered swamp, the blood-streaming trench, and the noisome dungeon. Thus shall it be, till the vengeance of insulted Heaven shall be exhausted upon a nation whose rulers spit upon the dictates of Mercy, stop their ears to the pleadings of Pity, and blaspheme God Himself, in their shameful idolatry of Mammon and the Negro. But a day shall come, (when the fiends who now defy the wrath of Deity shall have been sufficiently scourged by the avenging lightnings of Justice) on which, like the hosts of Sennacherib, the oppressors of the people shall be scattered and destroyed. There will be a time when another Winkelried shall plunge into the serried ranks of steel-clad Despotism, and with that cry that shall ring in the ears of the latest generation, "Make way for Liberty!" break the iron wall erected between the People and Human Rights.

"Fear not the tyrants shall rule forever.
Nor the priests of a bloody faith;
They stand on the brink of a mighty river,
Whose waves they have tainted with Death."

In March 1865 (See *Gazette* of March 31, 1865,) he encouraged the soldiers of the Republic in the army and the friends of the Union throughout the land, in the following manner:

"DO THE PEOPLE SUSTAIN THE WAR?"

"The re-election of Mr. Lincoln to the presidency, is regarded by many simple-minded persons as proof positive of the popular approval of the policy of military coercion. Had there been a free and fair election, and had the result proved the same, there might be some ground for this misconceived notion. But even then, under the condition of things that prevails now, there would have been excellent reasons to doubt that the majority expressed their true sentiments in voting for Mr. Lincoln. It is certainly not to be denied that the people, the majority, do no longer voluntarily sustain the war. They do sustain it, *but it is upon compulsion.* Nobody volunteers now, except for lucre. Nobody goes into service, unless he cannot keep out of it. The loudest war-shriekers pay the highest prices to keep their carcasses clear of 'government blue.' The most zealous advocates of military coercion forswear their own souls, rather than shoulder the musket they are called upon to carry.—Nay, there is, now-a-days, not one man in fifty, who from mere motives of patriotism, goes into the ranks of the federal armies. In short, the people of the loyal states are compelled, against their own will, to support the policy of the administration in continuing the war. If this be not so, why is it that we have a *compulsory* draft every few weeks? or why is it that every hamlet and cross-roads in the country, is made the rendezvous of a provost guard? No, no, the truth is plain and not to be hidden. The majority of the people do not heartily, or willingly, sustain the continuation of the war. Men may dislike the assertion of this truth, but it *is* truth, nevertheless. It is a fact so self-evident that the most subtle advocate of the war will not attempt to cover it from the public discernment. Since such is the state of things, is Mr. Lincoln now obeying the will of the people? That is the question. Let his friends answer it, if they can."

Soon after this publication Abraham Lincoln was assassinated. The manner in which this act was received throughout the country, and the world, did not seem to be pleasing to the present Democratic candidate. It does not appear however to have driven from him the pious frame of into which he had previously fallen. The "Bedford *Gazette*" of April 28, 1865, contained the following:

THE IDOLATRY OF THE TIME.

Hero worship is the besetting sin of nations. A successful general, a great ruler, or very frequently a hideous impostor, is made the idol of the people's hearts, until the Almighty Iconoclast strikes out of existence the god created in His stead. Attachment to princes and rulers is eminently right and proper. Due respect for those who administer the laws, should be shown in the deportment of every citizen. But when mere man comes to be worshiped as a god, when the soul's affections are drawn away from Calvary and fixed upon some fancied earthly hero, when attachment for rulers and respect for those who administer the laws, grow into adoration of their persons and character, *idolatry* and not christianity becomes the religion of the people. Farther removed from heaven than Hindoo or New Zealander, is he who, in the light of God's revealed truth, sets up in his heart the false god of supposed mortal perfection. Better, far better, to be ignorant of the blessed Gospel of peace, than knowing it, to mock its Divine Author, by the practice of idolatry beneath the very Cross which it reveals. And yet in this very hour and in this very community, men professing to be Christians are guilty of this deadly sin. Nay ministers of the gospel themselves set their hearers the example in this worship of human idols. Their text is no longer "Christ and Him crucified," *but Abraham Lincoln and him assassinated.* Nor are their discourses confined to reproof of the spirit which prompted the foul deed of the President's murder, or to efforts to correct the state of the public morals which the circumstances of his death so clearly indicate. In that case there would be but little room for complaint. But their sermons are mere fulsome eulogies and high sounding panegyrics of a man about whose public career people have always differed. They impiously compare him to Moses, styling him "God's anointed," at the same time, like the Pharisee, thanking God that they are not "as other men are," *their* hearts having never harbored an ill thought of the lamented dead.—Nay, they go further and declare they can have no respect for those who do not regard the memory of the late President as they do, and that such persons cannot be considered as Christians. If the conduct of these preachers be not idolatrous, then the veriest giaour is a believer of the gospel. But the consequences of their stewardship will be upon their heads, and at their hands will be required the souls of those whom their idolatrous conduct, coupled with their intolerant utterances, have driven from the sanctuary of the living God.

When Richmond fell and every Patriot in the land was rejoicing and all true men were giving deserved credit to our brave soldiers the "Bedford *Gazette*" of April 7, 1865, found room for the following:

"Richmond and Petersburg were *evacuated* by Gen. Lee; they were not taken by assault, though five days hard fighting preceded the evacuation. Lee has doubtless moved into North Carolina, for the purpose of uniting his army with Johnson's."

True to the very last and never able to find or to acknowledge the "last ditch" we find that after Lee surrendered, the "Bedford *Gazette*" of April 14, 1865, informed its readers of the surrender in a manner not at all calculated to offend even Lee himself. It was done in the following language:

A COMPROMISE AT LAST.

"The Democratic party has always contended for *compromise* as the basis of the settlement of our national troubles. The cry of our political opponents, on the other hand, has always been, 'No compromise with traitors!' Now, it has at last come to this, that Gen. Lee, the mightiest of all 'traitors,' and Gen. Grant the representative of the Federal Government, have made a compromise, Grant proposing the terms and Lee accepting them. Had there been no such compromise, there would have been another bloody battle, or perhaps several battles; thousands of lives would have been lost, many families clad in mourning and the war no nearer at an end than it is now, through this compromise. What has become of the old motto of the jacobins, 'No compromise with Traitors?' Ah! its authors have had to swallow it at last."

THINGS TO BE REMEMBERED.

As the election approaches the public mind should awaken to the actual condition of things, take in the whole truth, and prepare to decide the issue upon the facts. In order to do this there are many things to be brought to the recollection. Among others,

It should be remembered that the late rebellion, which was the immediate cause of the national debt and taxes which now bear heavily upon the people, was inaugurated under and by a Democratic administration, and carried on by the Democratic party under Democratic leaders.

It should be remembered that the Democratic leaders and their rebel allies (for there are rebels still) are influenced by the same relentless hostility to the principles of Republican liberty now as during the rebellion, and are acting in concert, through the same treasonable agencies, to regain control of the Government.

It should be remembered that the settled policy of the Democratic party is to repudiate and annul all the constitutional amendments and laws of Congress conferring equal rights upon all classes of citizens, and all the acts of Congress reconstructing the Southern States, so that, finally, slavery may be restored.

It should be remembered that, should they attain power, they have in many portions of the Union expressed a determination to repudiate the national debt, thereby degrading the national honor, and making us the scorn of the civilized world.

And it should be particularly and especially borne in mind that the Democratic party is the openly avowed friend of Free Trade, and consequently the enemy of American industry.

These, and many more things of the same character, should be remembered by the people of Pennsylvania during the coming campaign, and especially should they be kept clearly in view at the ballot box—the arbiter of popular will.—*Harrisburg Telegraph.*

BISMARCK'S RELIGIOUS CHARACTER.—The New York *Observer* has an article designed to show that whatever may have been Bismarck's previous character he is now a man of decided Protestant religious convictions. It prints extracts from a letter of his written in Berlin in 1862, just before the commencement of the war with Austria, in which he makes strong religious professions. Some of the sentences of the letter are as follows:

"Although I am hard pressed for time I cannot leave unanswered an interpellation which is addressed to me from an honest heart with an appeal to Christ's name. I sincerely regret if I give offence to believing Christians, but I am certain that in my position such offence is unavoidable. In the camp of my necessary political opponents there are, no doubt, many Christians who are far ahead of me on the way of salvation, and yet, on account of what on both sides belongs to earth, I must live in conflict with them. Would to God that, besides what the world knows of me, I had no other sins on my soul, for which I hope forgivegess only by trusting in the blood of Christ."

THE GERMAN LEADERS.—Dr. M. B. Riddle, a resident of Germany, son of the Rev. Dr. David M. Riddle, formerly of Pittsburg, says, that the King of Prussia is a decidedly Christian man. So also is the great Counseller of War, General Von Moltke. The Commander in Chief of all the military forces, General Von Roon, is regarded as one of the most consistent, outspoken Christians, who assembles his whole household morning and evening for family devotions, in which he leads—an observance which is not as common with Continental Christians as it is elsewhere. The same holds true also of Count Bismarck. When it is remembered, that in Germany, a large number of men in official stations, as elsewhere, are of a different stamp, it is all the more remarkable and noteworthy, that the leaders of the nation and the present war, are men of high moral and religious tone.

GENERAL SHERIDAN'S OPINION.—A *Tribune* correspondent at Berlin sends the following extract of a letter from General Sheridan, dated Rheims, the 8th instant: "There seems little of the war left except the siege of Paris, and that will not save France. It is possible that the French troops have not done so well as I think they might have done on one or two occasions which I witnessed, from the fact that the poor fellows found themselves so badly handled by their commanders that they could see no equivalent to be obtained by the sacrifice of their lives.

"A soldier wants success where many lives have to be sacrificed, but French generalship put this out of the question in every battle which I have witnessed."

LOSSES OF THE WAR.—Some approximate estimates have been made of losses in the principal battles of the war. The Prussians figure up their own losses as follows:

	Killed.	Wounded.
Weissenburg	4,260	7,174
Reichshoffen	11,083	14,516
Forbach and Spicheren	16,461	23,040
Borney	13,752	13,320
Gravelotte. Mars-la-Tour and Resonville	28,049	39,000
Sedan	18,000	22,000
Total	91,605	119,050

This ghastly table leaves out subordinate engagements and sieges. The total losses of the French are put at 150,000. All this in six weeks!

A WOMAN over eighty years of age went into one of the dental establishments in Hartford, Conn., to have a set of teeth repaired, and gave as a reason for being particular about the work, that, though she did not expect to live long she desired to have her corpse look as well as possible.

THE Democrats complain that that the necessaries of life are taxed. As they refused to vote for the reduction of the tariff on tea and coffee, and voted against keeping the present tax upon whisky and tobacco, we suppose they regard the former as luxuries and the latter as necessaries. Men will differ.

THE garrison of Metz are communicating with their friends by means of small balloons, two of which have successfully come within the French lines, filled with letters from the beleaguered officers and soldiers under Bazaine.

A clergyman in the cupola of the State House in Boston, observing Captain W—— at work upon the outside of the dome, said to him: "Sir, you are in a dangerous situation. I trust you have made your peace with your Heavenly Father." "I never was at war with him," responded the gallant captain.

COL. HIKKINSON in his recent book gives the following sentence from a patriotic speech made by an enthusiastic negro: "But we'll neber desert the old flag boys neber. We had lib under it for eighteen hundred and sixty-two years, and we'll die for it now."

NO TRADING.

We are advised that in several townships, Democrats, dissatisfied with the management of County affairs, are proposing to vote for Bayly and Barr in exchange for votes for Hereter. We hope our Republican friends will be on their guard. Let every man stand on his own merits, and frown down "trading" of all kinds. Col. Ephraim Myers is making headway, and the Democratic leaders know it. Henee their persistent attacks on him. Hence these efforts to withdraw votes from him and save Hereter, even if it be at the expense of Will and Millar, the Democratic nominees for Commissioner and Director.

THE *Compiler* tries to hold the *one* Republican Commissioner we have had twice in ten years, responsible for the mis-management of County affairs. We know they are sadly in need of a scape-goat, but it is a new doctrine that a *minority* can be held to have controled.

If we had had *two* members of the Board at any one time, we would admit the responsibility. But we had not. "The Ring" were always strong enough to prevent that.

We want JOSEPH BAYLY elected this fall, and another Republican next fall; and *then*, we will answer for it that no honest man shall complain of truth suppressed, or extravagance unchecked.

IN ADAMS County, Copperhead meetings are called, and only "white men" are invited. In Louisiana, on the other hand, there were colored delegates in the recent Copperhead State Convention; and even in Maryland, there is such a thing to be seen as a "colored" Copperhead meeting.

Such brazen inconsistency and hypocrisy could only occur in one party in this country.

EX-GOV. MORTON, of Indiana, now U. S. Senator from that State, has been appointed Minister to England and has accepted. The Senate will lose by the appointment, but the country will gain by it. Senator Morton is in entire accord with President Grant on the questions at issue between England and our Government, and has conceded ability as a diplomatist.

MEYERS begs us to forget that he ever counselled murder to prevent the execution of the Draft, and the filling up of our armies in 1863. We think the boys in blue *will* persist in remembering it—and in properly punishing the man who was as cruelly indifferent to their fate, as to the separation and destruction of the country.

IN 1865 B. F. Meyers said that "*Lee and Grant had compromised*"—most people thought that it was a pretty complete victory when Lee's whole army laid down their arms and surrendered. Mr. Meyers will have the pleasure of compromising with Mr. Cessna after the 11th of October in the same way that Lee compromised with Grant.—*Bedford Inquirer.*

THE Louisville *Courier*, the leading Democratic organ in Kentucky, says that the negro question is not a test of Democracy, and that the effort to organize a white man's party has failed. We print this for the edification of our Democratic friends hereabouts, who are kept in woful ignorance on this subject by their party journals.

MEYERS says he is a Free Trader, but promises, if elected, to represent his constituents who, he admits, are favorable to Protection.

He evidently has a convenient conscience, and is thirsting for the *office*, more than for the prevalence of the principles which he might thereby advance.

MEYERS' principles and record have been so bad that he shrinks appalled from their re-production. He says he believes in going forward, not in looking back; and he recalls to us the sad fate of Lot's wife. Meyers will be as well salted as she was, before he gets back from Salt River.

B. F. MEYERS' WAR RECORD

LET every loyal voter read B. F. Meyers' War Record on the first page of to-day's issue. It is taken *verbatim* from Mr. Meyers' own paper—not what is said of him, but what he himself wrote and printed during the War. Can any loyal man vote for a candidate, with such a record—who could scarcely find terms strong enough to express his hostility to the War for the suppression of the Rebellion, denounced Lincoln as a tyrant and usurper—Grant as a butcher—and yet had only smooth words for Rebels and traitors, and even the assassin Booth? No wonder, now that Mr. Meyers is begging for votes, he and his friends object to dragging into the contest what they call "dead issues," and seek to ignore this ugly record. It was made when Mr. Meyers believed the Union armies would fail to crush the Rebellion, and don't suit the present *status* of things. But it of his own making and he must stand by it.

A CORRESPONDENT of the *Compiler*—a rabid Secessionist in 1861 and a sympathizer with traitors during the war, and who cannot even now cover his tracks—vindictively assails Col. Ephraim Myers, the Republican nominee for Assembly. While Col. Myers was cordially supporting the Government, and contributing largely of his means to promote the comfort of Union soldiers, this anonyous scribler was blatant in his denunciation of "Abe Lincoln's hirelings," and always prognosticating disaster to the Union armies. He now seeks to damage Col. Myers by pretentious professions of regard for the boys in blue who crushed the Rebellion. Although the ass assumed the lion's skin, the ear-marks were there; and so with this anonymous assailant. He has yet to learn that detraction is not argument, and that candidates for office are not damaged by personal abuse.

AFTER years of persistent and consistent denial and concealment, and when longer concealment wouldn't answer, the Democratic County officials in January last, admitted that the County was in debt to the amount of about $50,000,000. This confession was wrung out of them, to justify the increase of the County tax to 8 mills. To whom and in what amounts this debt is owing, and what interest is paid by the county, does not appear—the "ring" not having as yet deigned to enlighten tax-payers on that topic. If we can't get the facts from the present management, would it not be well to put men into the Boards who *will* give the requisite information? Neither Joseph Bayly nor J. Watson Barr will agree to cover up matters that the people have a right and ought to know. Let us have LIGHT as well as REFORM.

WHILE the *Compiler* disclaims any desire to have colored voters support the Democratic ticket, the leaders are busy at work in this borough and other districts trying to manipulate colored votes for Democratic candidates. The *Compiler's* negro-phobia blustering is all bosh—intended to arouse ignorant prejudice—while a keen eye is kept to practical results. If any innocent Democrat doubts it, he can satisfy himself by watching the polls where colored men vote. The only trouble just now lies in the fact that the mass of the colored voters in Adams county are intelligent enough to know that the Republican party represents the true principles of Freedom, and will vote accordingly.

THE office of County Auditor is too often neglected. A skilful accountant and shrewd business man, with integrity of character, in auditing the county accounts, can not only detect improper claims, but protect the county by disallowing improper vouchers. Such a man is G. Washington Lott, the Republican nominee for county Auditor. Elect him, and there will be a guarantee, at least, that the tax-payers will know what kind of vouchers make up the sum total of county expenditures, and where the money goes to. At present, in the way by which the published table of Receipts and Expenditures is made up, we defy even a "Philadelphia lawyer" to make any thing out of them.

MR. CESSNA is being denounced because, as a Member of the Committee of Elections, he did not find that Gen. JAMES SHIELDS was elected in one of the districts of Missouri.

The only weakness in SHIELDS' case was not, that he is not an excellent man and was not a good soldier, *but that he did not receive a majority of the legal votes cast at the election.*

If he had, he would have obtained the seat—as other Democrats did who contested with a good case.

Mr. CESSNA'S duties on the Election Committee, were arduous, and his discharge of them was highly honorable to himself. Hence, the bitterness with which he is assailed.

THIS appears to be a good year for ex-Know-Nothings in the Copperhead party; for they have that class of candidates all over the country.

In New York, the Brookses are, of course, at the head of the heap, with Millard Fillmore smiling approval.

In Pennsylvania, have we not our own beloved Benjamin F. Meyers?

In Ohio, Lewis D. Campbell is the candidate against Gen. Schenck.

In Maryland, Tom Swann, chief of the Blood-Tubs, has just been unanimously re-nominated for Congress, and is supported by the Baltimore *Sun!*

And so on, all over. The K. N.'s appear to have captured the Cops.

THE tax-payers of Adams county have an opportunity this fall to introduce some reform in the management of the county offices. Joseph Bayly and J. Watson Barr are both men of unblemished reputations for integrity and fair dealing. The former in the Commissioners' Board and the latter in the Poor House management, would be a bar to extravagance and greatly modify the character of county expenditures. Independent Democrats, who desire reform in these positions, now have an opportunity to realize their wishes, by voting for Messrs. Bayly and Barr.

A YEAR ago, Copperhead leaders denied there had been any increase in the County Debt.

Now, they admit it is about $48,000—being *forced* to tell that much in order to justify an increased taxation.

But they still refuse to give the *whole* truth. They evidently fear to make a clean breast of it.

If we had a Republican Board, the facts might be got at. The Copperheads evidently prefer darkness.

HAVE the People a right to know the amount of the County Debt?

Will the Commissioners' office continue mum, *and levy increased taxes;* or, will it face the people with the *whole* truth?

THE DAMAGE BILL.

The fate of this bill is bound up in the choice of Assemblyman; and claimants might as well look the facts squarely in the face.

Nothing has so greatly damaged the Bill, the last few sessions, as that the representatives from the counties claiming, were all Copperheads—belonging to, and co-operating with, the *minority* party in the Legislature. We may consider it very unfair and unjust to have a reasonable and good claim prejudiced in this way; but the fact remains, that it has been so. In legislative affairs, much depends upon the personal fitness and the personal relations of representatives; and it is but reasonable to suppose that a band of men pressing a large claim for damages, *and all belonging to one political party*, would not have much influence with the other party. And when we remember that, in this case, the representatives have been on the minority side, we can readily see why they have met with so poor success.

It would be the part of wisdom by claimants to elect Col. EPHRAIM MYERS to the Legislature, for the reason that he would naturally have influence with his political friends, and would more likely be successful with the bill, than Mr. Hereter. Mr. MYERS is a very active, energetic, and attentive man, and may be relied upon to serve his constituents in this respect, with zeal and fidelity. He was himself a large sufferer—and is fully committed to the bill.—Mr. Hereter, on the other hand *sustained no damages*, as we understand; and we have heard from some of his neighbors that he has not hitherto been considered among them as friendly to the bill.

Considering all the facts in the case, and without at all regarding any political considerations, it appears to us to be clearly, the policy of the Border-Damage claimants to elect Col. EPHRAIM MYERS, *one of themselves*, to the Assembly. If they do not, we have no hope of the success of the bill the coming session.

THE DOG AT HIS VOMIT.

We intended, from the beginning, to conduct this canvass, so far as we could control it, without touching the *personal* character of any of the candidates. We hoped the Copperheads would do the same thing. Especially with regard to B. F. Meyers, their candidate for Congress, we published a paragraph personally complimentary, taken from the Somerset *Herald*—hoping that the manly spirit shown by the Republican press would be imitated by the other side; for this is a contest, not of *men*, but of *principles.*

Instead of that, we find in Mr. Meyers's own paper—the Harrisburg *Patriot* of Tuesday last—a grossly false, malignant and unscrupulous attack upon Mr. CESSNA'S personal integrity.

The attack falls harmless at Mr. CESSNA'S feet, and will recoil upon Mr. Meyers, who thereby proves himself unfit to represent an intelligent constituency anywhere, much less in the Congress of the United States.

Mr. CESSNA is widely known as one of the leading lawyers of Southern Pennsylvania. His political career has extended over twenty years. We have not always agreed with him; but it has ever been impossible not to respect the zeal and energy, he has thrown into the discharge of public duty. The like characteristics mark his professional career.—It is too late for such traducers as are now hounding him, to blacken his reputation; and he will be re-elected by a larger vote than in 1868. These attacks will stimulate his friends to renewed efforts, and will cover with shame every respectable man who belongs to the Opposition.

"THE Democratic Party has not been in power since 1860, and is, therefore, not responsible for any of the evils under which the country is at present suffering. *B. F. Meyers, in Bedford Gazette.*

Pretty cool that—when every schoolboy knows that *all* "the evils under which the country is at present suffering,"—debt, taxation, and all—is the direct result of Democratic misrule. Up to 1860, the General Government, in all its departments, Executive, Legislative and Judicial, was in Democratic hands. They bankrupted the Treasury—destroyed the Nationel Debt—and finally involved the Government in a fearful struggle with Treason and Rebellion. Probably Mr. Meyers holds now, as he held in 1860, that Treason was not a crime—that armed Rebellion should not have been resisted—and that Jeff. Davis should have been allowed a clear field to sever the Union and destroy the Government. The people didn't agree with Mr. Meyers then—nor will they now.

WE HAD a letter this week from a Republican friend in Alabama, in which he says:

"If the Ku-Klux can be stopped from *the murders they are almost daily committing*, we will carry the State by a handsome majority."

MEYERS ought to move South. He would be made a General of Ku-Klux at once. He could then enjoy the luxury of killing off his political opponents to his heart's content—unless Uncle Sam should detect him in the act, and put him in a "horrid Bastile."

THE Reading *Journal*, in speaking of the Congressional districts of this State, has this to say of our own district:

"In the 16th (Adams, Bedford, Franklin, Fulton and Somerset) Meyers, who is running on the Democratic side against Cessna, is an avowed Free-Trader and a rank Copperhead, and will be badly beaten."

MEYERS does not deny his war record, as published in to-day's paper.

His only excuse is, that he didn't actually *write* every article he printed. But if he had not approved, he would not have printed, or else would have protested!

IT would be interesting reading to re-produce from the *Compiler*, about 1855, copies of the Know-Nothing oaths which BENJAMIN F. MEYERS took when a member of that Order. His present friends would find it a pleasant retrospect.

MEYERS is said to be devoted, soul and body, to the payment of the Damage Claims.

Then he'd better be allowed to remain in Harrisburg where he can continue to be of use to them.

CESSNA never faltered in fidelity to the flag!

MEYERS turned his back upon it, when his Rebel friends fired upon it and trailed it in the dust.

Mark the contrast!

IF Isaac Hereter should be elected he will go to Harrisburg obligated to vote as the party demands. No Republican can support him.

LET every vote be polled—that the Sixteenth district may continue to be represented by a true man,

THE COUNTY EXPENDITURES

PLAIN FACTS FOR TAX-PAYERS.

In the publication of the last statement of County Receipts and Expenditures, the County Commissioners, for the first time, admitted that there was a County Debt of about $48,990 45. This confession was wrung from them as a justification of the increase of taxation from 5 to 8 mills, although year after year the existence of such a debt had been persistently denied, and the actual condition of the Treasury concealed—the annual statements being so prepared as to present just so much information as the management thought prudent to make public, all else being carefully covered up. Year by year there have been demands for fuller and more intelligible exhibitions of the Receipts and Expenditures, as due to the tax-payers of both parties. These demands have been contemptuously refused, and we defy any one to-day to take up these published accounts, and say positively where the leak has been. Even now, while driven to a confession of an existing Debt, they do not deign to tell the public to whom it is owing—in what amounts, or what rate of interest is paid by the county. We only know that there is a deficiency, from some cause, of over Forty-eight Thousand Dollars.

The *Compiler*, having access to the books and documents, *could*, if disposed, throw some light on the subject, but instead of squarely meeting the issue, it prefers to dispose of the matter by insinuating that our concern about it simply grows out of "a little hankering after the County printing." We could readily retort, that the *Compiler's* persistent efforts to suppress the truth must be set down to a desire to *retain* the County printing. But that style of argument is not likely to satisfy tax-payers in either party.

We charge that there has been MISMANAGEMENT in the County offices—both in the Commissioners' office and the Poor House—that the expenditures in both have been increasing with fearful rapidity, and without any sufficient cause. We propose now to give the PROOF—from official figures furnished by the County Commissioners themselves. We have taken the trouble to examine the annual statements of Receipts and Expenditures for the last seventeen years, beginning with 1853, and annex the aggregate of expenditures in each year, as also those of the Poor-house. To deal fairly, in preparing this table, we have in each year deducted the amounts paid on temporary loans and interest—the figures below showing the amount paid out each year as actual expenses. If the vouchers for debt and interest paid were included, the aggregates would be much larger. If any doubt the accuracy of this table they can verify it for themselves by taking up the annual statements as they have appeared in the *Compiler* itself:

	COUNTY.	POOR HOUSE.
1853	$16,913 48	$4,043 28
1854	18,139 19	5,571 30
1855	20,745 08	6,314 84
1856	20,283 24	9,385 96
1857	21,650 29	8,761 43
1858*	30,622 90	6,741 55
1859*	31,377 52	7,177 49
1860	21,050 29	6,566 90
1861	21,170 07	7,837 40
1862†	34,385 63	7,696 14
1863	19,026 43	7,970 30
1864	29,221 52	10,591 49
1865	29,663 68	15,207 58
1866	33,345 98	14,197 00
1867	34,696 95	13,419 81
1868	36,912 85	13,854 13
1869	38,042 17	12,813 81

* In 1858, $12,173 81 were paid on new Court-house, and in 1859 $12,610 62. † In 1862, $9,900 were paid as Bounties to volunteers.

This table speaks for itself, and we invite for it the careful attention of candid men. It developes a few important facts:

1. From 1853 down to 1864, a period of 12 years, the county expenses ranged from about $17,000 to $21,000—the exceptional increase in 1858, 1859 and 1862, being occasioned by the building of the new Court-house and the payment of soldiers' bounties.

2. In 1864, from some mysterious, unexplained cause, the County expenses all of a sudden leaped up to over $29,000, and the Poor-house to over $10,000. Since then they have been going up steadily and surely every year—the former being more than double what they were in 1853, and the latter more than trebled.

3. It is very clear that the present deficiency is not traceable to the new Court-house, of which the *Compiler* is constantly prating. That was built in 1858 and 1859, and the vouchers show that *it was paid for in full in those years.*

4. It is also very clear that the War had little or nothing to do with the present enormous expenditures. In 1860, 1861, 1862, (deducting Bounty expenditures,) and 1863, the expenses both in Commissioners' office and Poor-house, stood about the same as from 1852 to 1860. In 1864, when the Rebellion was tottering under the ponderous blows of Gen. Grant, when the premium on gold had fallen 100 per cent., and the necessaries of life had got back to normal prices—we find an amazing increase in the expenditures of the county.

Now these are plain, stubborn FACTS, and as such we submit them to the sober attention of tax-payers. If they are satisfied with the exhibit, well and good. We should like a single question answered by those in authority:

In 1863, in the midst of the Rebellion, when gold was at a fearful premium, and prices of all kinds ruled high, the County expenditures footed up $19,026 43. How comes it that in 1869—with peace and plenty in the land—the County expenses were $38,042 17—just DOUBLE that of 1863?

LET US HAVE LIGHT!

THE Democratic County Convention had nothing to say in reprobation of the votes of Duncan and Dill for the "nine millions steal" last winter, but adopted a resolution endorsing their official acts. This grand swindle will be again attempted next winter. Col. Ephraim Myers is publicly committed against this and all similar swindles, and should receive the support of every voter who doesn't want the State Treasury plundered.

THE difficulty in the 2d Maryland Congressional District has been adjusted by the withdrawal of R. Stockett Mathews and Gen. King. The Republicans will now unite on Washington Booth, Esq., and will probably beat Tom Swan, the Democratic-Know-Nothing candidate.

WE understand that MEYERS denies that there has been any reduction of taxation, by Congress at its late session.

Does he use nothing but tobacco or whiskey? For they alone have not been reduced.

MEYERS asserts that the Public Debt is as large now as it was some years ago. He "sees double."

LET no patriot vote for one whose course was that of a traitor during the war!

THE WAR IN EUROPE.

The advices of the last week do not materially change the military aspect in France. The negotiations between Favre and Bismarck have fallen through—France refusing to accede to the demands of Prussia that Metz and Strasbourg, with portions of Alsace and Lorraine be ceded to Prussia as guarantees of future peace. The investment of Paris was complete—the city being cut off from all communication with the outside world, except by balloons occasionally sent up from the city. More or less fighting occurs daily between small hostile parties outside the walls, both sides claiming the advantage. The French Provisional Government is now located at Tours.

The fortress of Toul, with the garrison, guns and munitions, has surrendered to the Prussians. Strasbourg will have to yield ere long. It is rumored that Bazaine refuses to recognize the Republic, and holds his troops in Metz subject to the orders of the late Emperor.

Rome is in full possession of the Italians, and will be made the capital of Italy. The Pope will be guarantied a maintenance, but without temporal dominions.

LATER.—On Monday Strasbourg capitulated unconditionally, 17,000 prisoners, with an immense quantity of guns and munitions of war, falling into the hands of the Prussians.

EXPERIENCE shows that the farmer who raises his wheat, his corn, his mules, and his pork at home, succeeds better than the one who raises only wheat and corn. This argument for a mixed husbandry is equally strong for a mixed industry, and the country that manufactures every article which its resources and soil adapt it for, is richer, more prosperous, and more powerful than the one which confines its industry to the manufacture of but one article.—*Phila Press.*

That is Mr. Cessna's doctrine and hence by a discriminating tariff, he would help to build up American industry and make us independent as a nation. Mr. Meyers, on the other hand, by his free-trade policy, would strike down American mechanics and laborers, make the country dependent on European capital and enrich foreign nations at the expense of our own. Choose between them.

WE see it stated that more than one-half the "Democratic" candidates for Congress in Ohio, are Ex-Know-Nothings. We have *not* seen this fact published in the *Compiler*. But as it is supporting BENJAMIN F. MEYERS, Know-Nothing Oaths and all, we suppose its feelings towards Know-Nothingism have softened with time. It strikes us, however, that as the Democrats have taken FILLMORE himself, the chief of the Know-Nothings, to their embrace, they ought not to reject B. F. MEYERS, who was one of the humblest of the Order.

WHAT DOES IT MEAN?

MESSRS. EDITORS:—I hear a good deal of talk in this neighborhood, about a recent transaction in County funds, which seems to require explanation. The story as we have it is this: Mr. Elder Metzger, of Hanover, had a claim against the Gettysburg Springs Company of $10,000, for which he demanded payment. It is said that the claim was paid from the County funds by a check on the 1st National Bank of Gettysburg for $10,000, by Wm. J. Martin, County Treasurer, payable to Wm. A. Duncan, Esq.,—the latter checking for the same amount in favor of R. G. McCreary, Esq., for the Springs Company—Mr. McCreary checking in favor of Mr. Metzger's attorney. It is rumored that the transaction involved a handsome premium to some person. This seems to be a novel use of County funds, when the County is heavily in debt and paying amounts of interest. Can you tell us what it all means?

There is another war in prospect. According to a telegran from Berlin, Russia is in motion to seize the Black Sea and probably the Dardanelles, and war with Turkey is imminent. The effort is the realization of the chief ambition of the Russian Empire. With France helpless, England's army in a deficient condition and the Sultan weak, the Czar could scarcely hope for a better opportunity than the present to strike the blow at Turkey.

THE recent proclamation of Governor Shaffer, of Utah, disbanding and disarming the Mormon militia, together with the decision of Judge McKean against the Mormon jury system, may produce serious results in the Mormon territory. The Mormons have hitherto directed and controlled Utah without regard to the United States authorities and laws, and this action of Governor Shaffer and Judge McKean may excite their hostilities. It is time the Government asserted its power and dignity in Utah. Under Mormon legislation the jury system was placed under the exclusive control of Young's functionaries, who always succeeded in nullifying such acts of Congress as were regarded obnoxious to the Saints.

TO THE NERVOUS.

The natural result of exhaustion of strength by excessive labor or action, is a feeling of weakness, dullness, heaviness, weariness, languor of body or mind, &c. Persons of a weak constitution, or whose habits are sedentary, frequently complain of this relaxed condition of the vital energies; and when persons of a nervous temperament are thus weakened and debilitated, disease inevitably follows, unless it is at once checked and overcome. All who suffer from these causes alike require a remedy which will strengthen the system without exciting it, and awake a feeling of true enjoyment, so that life may become a source of pleasure. MISHLER'S HERB BITTERS has won its way into the confidence of thousands of this class of persons, who warmly endorse it as the best invigorating agent, and the most potent and genial of all tonics and alteratives for strengthening and restoring the physical constitution. AND WHEREAS, Persons, not citizens of the United States, are not under the Constitution and Laws of Pennsylvania, qualified electors of this Commonwealth:

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same: That in all elections hereafter to be held in this Commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot or ballots.

That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election hereafter to be held in this Commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot or ballots, any person so offending shall be deemed guilty of a misdemeanor, and on conviction thereof, in any court of quarter sessions of this Commonwealth, shall, for each offence, be punished in like manner as is provided in the preceding section of this act in the case of officers of election receiving such unlawful ballot or ballots.

[illegible] hereafter persuade, or advise, any person or persons deprived of citizenship, and disqualified as aforesaid, to offer any ballot, or ballots, to the officers of any election, hereafter to be held in this Commonwealth, or shall persuade, or advise, any such officers to receive any ballot, or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person, so offending, shall be guilty of a misdemeanor, and upon conviction thereof, in any court of quarter sessions of this Commonwealth, shall be punished in like manner as is provided in the second section of this act, in case of officers of such election receiving such unlawful ballot or ballots.*

By the 16th section Registry Law approved the 17th day of April, A. D., 1869, it is directed that at all the elections hereafter held under the laws of this Commonwealth, the polls shall be opened between the hours of six and seven o'clock, A. M., and close at seven o'clock, P. M.

ALSO—In and by virtue of the 14th section of the act of Feb. 27th, 1840, every person, excepting Justices of the Peace, who shall hold any office or appointment of profit or trust under the legislative, executive or judiciary department of this State, or of the United States, or any city or incorporated district, and also that every member of Congress and of the State Legislature, and of the Select Common Council of any City or Commissioner of any incorporated district, is by law incapable of holding or exercising at the same time, the office or appointment of Judge, Inspector, or Clerk of any election of this Commonwealth, and that no Judge, Inspector, or other officer of any such election, shall be eligible to any office to be then voted for.

*Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this Commonwealth," disqualifying deserters from the army of the United States from voting has recently been declared unconstitutional by the Supreme Court of Pennsylvania, except so far as it disqualifies from voting persons duly *tried* and *convicted* of desertion, and is now null and void with said exception, and that all persons formerly disqualified thereunder with the exception named, are now lawful voters, if otherwise qualified.

REGISTRY ACT OF 17TH APRIL, 1869.

ALSO—The following sections of the new Registry Law, applicable between this and the Second Tuesday of October.

SEC. 3. After the assessments have been completed on the tenth day preceding the second Tuesday in October of each year, the assessor shall, on the Monday immediately following, make a return to the county commissioners of the names of all persons assessed by him since the return required to be made by him by the second section of this act, noting opposite each name the observations and explanations required to be noted as aforesaid; and the county commissioners shall thereupon cause the same to be added to the return required by the second section of this act, and a full and correct copy thereof to be made, containing the names of all persons so returned as resident taxables in said ward, borough, township or precinct, and furnish the same together with the necessary election blanks, to the officers of the election in said ward, borough, township or precinct, on or before six o'clock on the morning of the second Tuesday of October; and no man shall be permitted to vote at the election on that day whose name is not on said list, unless he shall make proof of his right to vote, as hereinafter required.

SEC. 4. On the day of the election any person whose name is not on said list, and claiming the right to vote at said election, shall produce at least one qualified voter of the district as a witness to the residence of the claimant in the district in which he claims to be a voter, for the period of at least ten days next preceding said election, which witness shall take and subscribe a written, or partly written and partly printed affidavit to the fact stated by him, which affidavit shall define nearly where the residence is of the person so claiming to be a voter; and the person so claiming the right to vote shall also take and subscribe a written, or partly written and partly printed affidavit, stating to the best of his knowledge and belief, where and when he was born; that he is a citizen of the Commonwealth of Pennsylvania and of the United States; that he has resided in the Commonwealth one year, or if formerly a citizen therein and has moved therefrom, that he has resided therein six months next preceding said election; that he has not moved into the district for the purpose of voting therein; that he has paid a State and county tax within two years, which was assessed at least ten days before said election; and, if a naturalized citizen, shall also state when, where and by what court he was naturalized, and shall also produce his certificate of naturalization for examination; the said affidavit shall state when and where the tax claimed to be paid by the affiant was assessed, and when, where and to whom paid; and the tax receipt therefore shall be produced for examination, unless the affiant shall state in his affidavit that it has been lost or destroyed, or that he never received any; but if the person so claiming the right to vote shall take and subscribe an affidavit, that he is a native born citizen of the United States, (or if born elsewhere, shall state that fact in his affidavit, or that he is entitled to citizenship by reason of his father's naturalization;) and shall further state in his affidavit that he is, at the time of taking the affidavit, between the ages of twenty-one and twenty-two years; that he has resided in the State one year and in the election district ten days next preceding such election, he shall be entitled to vote, although he shall not have paid taxes; the said affidavits of all persons making such claims, and the affidavits of the witnesses to their residence, shall be preserved by the election board, and at the close of the election they shall be enclosed with the list of voters, tally list and other papers required by law to be filed by the return judge with the prothonotary's office, subject to examination, as other election papers are, if the election officers shall find that the applicant or applicants possess all the legal qualifications of voters, he or they shall be permitted to vote, and the name or names shall be added to the list of taxables by the election officers, the word "tax" being added where the claimant claims to vote on tax, and the word "age," where he claims to vote on age; the same words being added by the clerks in each case respectively, on the lists of persons voting at such election.

SEC. 5. It shall be lawful for a qualified citizen of the district, notwithstanding the name of the proposed voter is contained on the list of resident taxables, to challenge the vote of such persons whereupon the same proof of the right of suffrage as is now required by law shall be publicly made and acted on by the election board, and the vote admitted or rejected, according to the evidence; every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years, consecutively, a voter in the district in which he offers his vote; and on the vote of such person being received, it shall be the duty of the election officers to write or stamp on such certificate the word "voted" with the month and year; and if any election officer or officers shall receive a second vote on the same day, by virtue of the same certificate, except where sons are entitled to vote by virtue of the naturalization of their fathers, they and the person who shall offer such second vote, upon so offending, shall be guilty of a high misdemeanor, and on conviction thereof, be fined or imprisoned, or both, at the discretion of the court; the fine shall not exceed one hundred dollars in each case, nor the imprisonment one year; the like punishment shall be inflicted on conviction of the officers of election who shall neglect, or refuse to make, or cause to be made, the endorsement required, as aforesaid on said naturalization certificate.

SEC. 6. If any election officer shall refuse or neglect to require such proof of the right of suffrage as is prescribed by this law, to the laws which this is a supplement, from any person offering to vote whose name is not on the list of assessed voters, or whose right to vote is challenged by any qualified voter present, and shall admit such person to vote without requiring such proof, every person so offending shall upon conviction, be guilty of a high misdemeanor, and shall be sentenced, for every such offence, to pay a fine not exceeding one hundred dollars, or to undergo an imprisonment not more than one year, or either or both, at the discretion of the court.

SEC. 7. Ten days preceeding every election for electors of President and Vice President of the United States, it shall be the duty of the assessor to attend the place fixed by law for holding the election in each election district, and then and there hear all applications of persons whose names have been omitted from the list of assessed voters, and who claim the right to vote, or whose rights have originated since the same was made out, and shall add the names of persons thereto as shall show that they are entitled to the right of suffrage in such district, on the personal application of the claimant only, and forthwith assess him with the proper tax. After completing the list, a copy thereof shall be placed on the door of or on the house where the election is to be held, at least eight days before the election; and at the election the same course shall be pursued, in all respects, as is required by this act and the acts to which it is a supplement, at the general election in October. The assessor shall also make the same returns to the county commissioners of all assessments made by virtue of this section; and the county commissioners shall furnish copies thereof to the election officers in each district, in like manner in all respect as required at the general election in October.

SEC. 8. The same rules and regulations shall apply at every special election and at every separate city, borough or ward election, in all respects, as at the general election in October.

SEC. 9. The respective assessors, inspectors and judges of the elections shall each have the power to administer oaths to any person claiming the right to be assessed or the right of suffrage, or in regard to any other matter or thing required to be done or inquired into by any person in relation to any matter or thing concerning which they shall be lawfully interrogated by any of said officers, shall be punished as perjury.

SEC. 10. The assessor shall each receive the same compensation for the time necessarily spent in performing the duties hereby enjoined as is provided by law for the performance of their other duties, to be paid by the county commissioners as in other cases; and it shall not be lawful for any assessor to assess a tax against any persons whatever within ten days next preceding the election to be held on the second Tuesday of October, in any year, or within ten days next before any election for electors of President and Vice President of the United States; any violation of this provision shall be a misdemeanor, and subject the officers so offending to a fine, on conviction, not exceeding one hundred dollars, or to imprisonment not exceeding three months, or both, at the discretion of the court.

SEC. 11. On the petition of five or more citizens of the county, stating under oath that they verily believe that frauds will be practiced at the election about to be held, in any district, it shall be the duty of the court of common pleas of said county, if in session, or if not, a judge thereof in vacation, to appoint two judicious, sober and intelligent citizens of the county, to act as overseers of said election, said overseers shall be selected from different political parties, where the inspectors belong to different parties, and where both of said inspectors belong to the same political party, both of the overseers shall be taken from the opposite political party; said overseers shall have the right to be present with the officers of the election during the whole time the same is held, the voters counted, and the returns made out and signed by the election officers; to keep a list of voters, if they see proper to challenge any person offering a vote, and interrogate him and his witnesses, under oath, in regard to his right of suffrage at said election, and to examine his papers produced; and the officers of said election are required to afford to said overseers so selected and appointed every convenience and facility for the discharge of their duties; and if said election officers shall refuse to permit said overseers to be present and perform their duties as aforesaid, or if they shall be driven away from the polls by violence or intimidation, all the votes polled at such election district may be rejected by any tribunal trying any contest under said election: *Provided*,—That no person signing the petition shall be appointed an overseer.

SEC. 12. If any prothonotary, clerk, or the deputy of either, or any other person, shall affix the seal of office to any naturalization paper, or permit the same to be affixed, or given out, or cause or permit the same to be given out, in blank, whereby it may be fraudulently used, or furnish a naturalization certificate to any person who shall not have been duly examined and sworn in open court, in the presence of some of the judges thereof, according to the act of Congress, or shall aid in, connive at, or in any way permit the issue of any fraudulent naturalization certificate, he shall be guilty of a high misdemeanor; or if any one shall fraudulently use any such certificate of naturalization, knowing that it was fraudulently issued, or shall vote, or attempt to vote, on any certificate of naturalization not issued to him, he shall be guilty of a high misdemeanor; and either or any of the persons, their aiders or abettors, guilty of either of the misdemeanors aforesaid, shall, on conviction, be fined in a sum not exceeding one thousand dollars, and imprisonment in the proper penitentiary for a period not exceeding three years.

SEC. 13. Any person who on oath or affirmation, in or before any court in this State, or officers authorized to administer oaths shall, to procure a certificate of naturalization, for himself or any other person, willfully dispose, declare or affirm any matter of fact, knowing the same to be false, or shall in like manner deny any matter or fact, knowing the same to be true, shall be deemed guilty of perjury; and any certificate of naturalization issued in pursuance; of any such deposition, declaration, or affirmation shall be null and void; and it shall be the duty of the court issuing the same, upon proof being made before it that it was fraudulently obtained, to take immediate measures for recalling the same for cancellation; and any person who shall vote, or attempt to vote, on any paper so obtained, or who shall in any way aid in, connive at, or have any agency whatever in the issue, circulation or use of any fraudulent naturalization certificate, shall be deemed guilty of misdemeanor, and, upon conviction therefore, shall undergo an imprisonment in the penitentiary for not more than two years, and pay a fine, not more than one thousand dollars, for every such offence, or either or both, at the discretion of the court.

SEC. 14. Any assessor, election officer or person appointed as an overseer, who shall neglect or refuse to perform any duty enjoined by this act, without reasonable or legal cause, shall be subject to a penalty of one hundred dollars; and if any assessor shall assess any person as a voter who is not qualified, or refuse to assess any person who is qualified, he shall be guilty of a misdemeanor in office, and on conviction be punished by fine or imprisonment, and also be subject to an action for damages by the party aggrieved; and if any person shall fraudulently alter, add to, deface or destroy any list of voters, made out as directed by this act, or tear down or remove the same from the place where it has been fixed, with fraudulent or mischievous intent or for any improper purpose, the person so offending shall be guilty of a high misdemeanor, and on conviction shall be punished by a fine not exceeding five hundred dollars, or imprisonment not exceeding two years, or both, at the discretion of the court.

SEC. 15. All elections for the city, ward, borough, township and election officers shall hereafter be held on the second Tuesday of October, subject to all the provisions of the law regulating the election of such officers not inconsistent with this act; the persons elected to such offices at that time shall take their places at the expiration of the terms of the persons holding the same at the time of such election; but no election for the office of assessor or assistant assessor shall be held under this act until the year one thousand eight hundred and seventy.

SEC. 16. At all elections hereafter held, under the laws of this commonwealth, the polls shall be opened between the hours of six and seven o'clock, A. M., and be closed at seven o'clock, P. M.

SEC. 19. The citizens of this State temporarily in the service of the State or of the United States governments, on clerical or other duty, and who do not vote where thus employed, shall not be thereby deprived of the right to vote in their several election districts, if otherwise duly qualified.

XV AMENDMENT CONSTITUTION U. S.

The following instructions from his Excellency Gov. Geary, explains the duties of Assessors, Registers and Election officers in regard to all freemen of this Commonwealth:

EXECUTIVE CHAMBER,
HARRISBURGH, PA., Aug. 27, 1870.

To the Sheriff of the County of Adams.

WHEREAS, The Fifteenth Amendment of the Constitution of the United States is as follows:

SECTION 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States, or by any State on account of race, color or previous condition of servitude.

SECTION 2. The Congress shall have power to enforce this article by appropriate legislation.

AND WHEREAS, The Congress of the United States, on the 31st day of March, 1870, passed an act, entitled "An act to enforce the right of citizens of the United States to vote in the several States of the Union, and for other purposes," the first and second sections of which are as follows:

SECTION 1. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all citizens of the United States, who are, or shall be otherwise qualified by law to vote at any election by the people, in any State, Territory, district, county, city, parish, township, school district, municipality, or other territorial sub-division, shall be entitled and allowed to vote at all such elections, without distinction of race, color or previous condition of servitude; any Constitution, law, custom, usages or regulations of any State or Territory, or by or under its authority, to the contrary notwithstanding.

SECTION 2. And be it further enacted, That if by or under the authority of the Constitution or laws of any States, or the laws of any Territory, any act is or shall be required to be done as a prerequisite or qualification for voting and by such Constitution or laws, persons or officers are or shall be charged with the performance of duties in furnishing citizens an opportunity to perform such pre-requisite, or to become qualified to vote, it shall be the duty of every such person and officer to give to all citizens of the United States, the same equal opportunity to perform such pre-requisite, and to become qualified to vote without distinction of race, color or previous condition of servitude; and if any such person or officer shall refuse or knowingly omit to give full effect to this section, he shall for every offence forfeit and pay the sum of five hundred dollars to the person aggrieved thereby, to be recovered by an action on the case, with full costs and such allowance for counsel fees as the court shall be deemed guilty of a misdemeanor, and shall, on conviction thereof, be fined not less than one month and not more than one year, at the discretion of the court.

And whereas, it is declared by the 2d section of the VI article of the Constitution of the United States, that "This Constitution of the United States which shall be made in pursuance thereof, shall be the supreme law of the land, * * * * anything in the Constitution or laws of any State to the contrary notwithstanding."

And whereas, the Legislature of the Commonwealth, on the 6th day of April, A. D., 1870, passed an act, entitled "A further supplement to the act relating to the elections in this Commonwealth," the tenth section of which provides as follows:

SECTION 10. That so much of every act of Assembly as provides that only white freeman shall be entitled to vote or be registered as voters, or as claiming to vote at any general special election of this Commonwealth, be and the same is hereby repealed; and that hereafter, all freemen, without distinction of color, shall be enrolled and registered according to the provisions of the first section of the act approved seventeenth of April, '69, entitled "An act further supplement to the act relating to the elections of this Commonwealth," and when otherwise qualified under existing laws, be entitled to vote at all general and special elections in this Commonwealth.

And whereas, it is my constitutional and official duty to "take care that the laws be faithfully executed;" and it has come to my knowledge that sundry assessors and registers of voters have refused, and are refusing to assess and register divers colored male citizens of lawful age, and otherwise qualified as electors.

Now, therefore, in consideration of the premises, the county commissioners of said county are hereby notified and directed to instruct the several assessors and registers of voters therein, to obey and conform to the requirements of said constitutional amendment and laws; and the sheriff of said county is hereby authorized and required to publish in his proclamation for the next ensuing elections the herein recited constitutional amendment, act of Congress, and act of the Legislature, to the end that the same be known, executed and obeyed by all assessors, registers of voters, election officers and others, that the rights and privileges guaranteed thereby may be secured to all the citizens of this Commonwealth entitled the same.

Given under my hand and the great seal of the
State, at Harrisburg, the day and
[SEAL.] year first above written.

ROSADALIS

THE GREAT AMERICAN HEALTH RESTORER, purifies the blood and cures Scrofula, Syphilis, Skin Diseases, Rheumatism, Diseases of Women, and all Chronic Affections of the Blood, Liver and Kidneys. Recommended by the Medical Faculty and many thousands of our best citizens.

Read the testimony of Physicians and patients who have used Rosadalis; send for our Rosadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution; it will give you much valuable information.

Dr. R. W. Carr, of Baltimore, says:

I take pleasure in recommending your ROSADALIS as a very powerful alterative. I have seen it used in two cases with happy results—one in a case of secondary syphilis, in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosadalis is made, and find it an excellent compound of alterative ingredients.

Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of Scrofula and Secondary Syphilis with satisfactory results—as a cleaner of the Blood I know no better remedy.

Samuel G. McFadden, Murfreesboro', Tenn., says:

I have used seven bottles of Rosadalis and am entirely cured of Rheumatism; send me four bottles, as I wish it for my brother who has scrofulous sore eyes.

Benjamin Bechtol, of Lima, Ohio, writes: I have suffered for twenty years with an inveterate eruption over my whole body; a short time since I purchased a bottle of Rosadalis and it effected a perfect cure.

FINE PEARS.—Mr. Simion Haldeman, of Highland township, sends us two very fine Duchess d' Angoleme Pears, measuring 10 inches in circumference.

BUTLER.—We are requested to say that the Republicans of Butler township will meet in Middletown to-morrow, (Saturday, Oct 1,) to settle a township ticket. A full turn out is desired.

LARGE YAM.—Mr. J. B. Wright, of Flora Dale, sends us a very large and well developed yam; which measures 19 by 26 inches in circumference, and weighs 6¼ pounds.

EXAMINATION.—The examination of the Summer School of Mr. J. Curtis Hildebrand, in East Berlin, took place this week, commencing on Monday. We are advised that it passed off pleasantly and creditably to all concerned.

MEDAL WON.—On Saturday last the "Gettysburg Zouaves" had a target-firing, the best shot to have the privilege of wearing the prize medal belonging to the Company. The prize was taken by Emory K. Will.

BARN BURNT.—The barn of John Harr, colored, between Middletown and Arendtsville, was destroyed by fire on Monday evening the 19th inst., together with contents, grain and hay. The light was seen in Gettysburg and occasioned an alarm of fire.

I. O. O. F.—The new officers of Union Encampment, No. 126 I. O. O. F., were installed by District Deputy J. L. Schick on the 19th inst. as follows: C. P., John Rupp; H. P., J. J. Myers; S. W., M. M. Miller; J. W., Jeremiah Culp; Sec., James McCreary; Treas., Edward Menchy.

DISTINGUISHED VISITOR.—Hon. Thomas Hughes, member of the English Parliament, and one of the most distingushed of the English liberal statesmen, was a guest at the Springs Hotel last week. He visited the Battle-field in company with Major Rosengarten, of Philadelphia. During the war, Mr. Hughes was a steadfast, devoted friend of our Government, and by pen and voice plead its cause when other English statesmen gave aid and comfort to the Rebellion.

THIEVING.—A correspondent from East Berlin writes us that the good citizens of that place are just now annoyed by the depredations of thieves. One night last week the mission boxes with contents were stolen from the Library of the East Berlin Sabbath School. On Thursday night Mr. Jacob Resser had his peach trees divested of some fine fruit. Mr. Samuel Meisenhelder was relieved of a lot of fine grapes. Mr. William Wolf missed sundry surgical and other instruments from his drug store.

ELECTION.—On Monday last the following gentlemen were unanimously re-elected Managers of the Adams County Mutual Fire Insurance Company for the ensuing year:—George Swope, S. R. Russell, D. A. Buehler, E. G. Fahnestock, Robert McCurdy, Jacob King, H. A. Picking, H. C. Peters, W. Ross White, A. F. Gitt, and Frederick Diehl.

The new Board will meet at 2 o'clock, P. M., on Monday next, to organize. The Executive Committee will meet at 10 A. M. of same day.

RESIGNED.—We understand that Mr. Wm. C. Stoever has resigned his position as Tutor in Pennsylvania College, to take effect Oct 1. The resignation is based on impaired health, and a desire to be relieved from the exacting duties of the position. The Faculty very reluctantly accepted the resignation; but have made satisfactory provision for the vacancy. Mr. J. W. Richards, formerly a Tutor, will teach the remainder of the present session. Mr. Hart Gilbert, now teaching at Catasauqua, and an experienced and succesful teacher, will take charge of the position permanently after the close of the present session.

U. S. TAXES DISCONTINUED.—We have heretofore published a detailed statement of the changes in the U. S. Revenue laws to take effect Oct. 1. In view of the near approach of that period, it may not be amiss to remind the reader that the following taxes cease on the 1st day of October, 1870, viz: All taxes on gross receipts and on sales except those of tobacco, spirits and wines. Also the tax on legacies and successions on property passing by death after that date. The stamps will no longer be required on promissory notes less than one hundred dollars nor on receipts. Stamps are still required on checks and all other documents (with the above exceptions) heretofore taxed.

EVANGELICAL REVIEW.—We have on our table the "Evangelical Quarterly Review" for October, which closes the 21st volume. The closing article is a brief memorial tribute to Prof. Stoever, from the pen of Rev. Dr. Hay. The death of Prof. Stoever will necessitate a change in the editorship of the Review. We understand that the Rev. Dr. Brown and Rev. Dr. Valentine are perfecting arrangments to publish a theological Quarterly at this place, either in continuation of the old Review or in a new form. Both gentlemen have special qualifications for the work, and they will call to their aid some of the ablest theologians in the Lutheran Church.

IMPROVEMENTS.—Peter Thorn is about to erect a snug cottage on the Baltimore turnpike, a short distance below the Cemetery.

In Bonaughtown, Adam Hartlaub recently put up a large two-story Frame House, with back building, and small barn. Capt. J. E. Miller is erecting a large two-story Brick House with basement; Mr. C. W. Bupp a large Coach Shop, Smith Shop, Stable, &c.; Dr. A. Noel a fine Brick House; and Mr. Landis has repainted his buildings.

In Mountpleasant township Alloysius Eckenrode is building a two-story Frame House, with large back-building. John Rudisil has built a commodius Bank Barn, and John Snyder a Frame Barn.

CENSUS STATISTICS.—Mr. R. S. Paxton having completed the enrollment of Gettysburg and Cumberland township, furnishes us the following items:

Gettysburg.—Population 3,080—being a gain of 690 since 1860; 2,857 whites and 223 colored. No. of houses 568, families 586. Value of Real Estate, $1,963,850; Personal Estate $1,165,182. No. of deaths during the year ending June 1, 1870, 51; 49 whites and 2 colored.

Cumberland.—Population 1456, being a gain of 181 since 1860; 1,386 whites, and 70 colored. No. of houses 239, families 245. No. of deaths during the year ending June 1, 1870, 28; 25 whites and 3 colored. The largest number of bushels of Wheat raised by one farmer was 1200, by David Horner; Corn, 1800 bushels, by Francis Bream; Cloverseed, 30 bushels, by John Mehring.

DON'T FORGET, to go and hear Hewlett to-night, (Friday,) in Agricultural Hall.

THE AGRICULTURAL FAIR.—The Exhibition of the Adams County Agricultural Society for the present year was a grand success. In every department the exhibit of articles was very fine, largely in excess of previous years. The display of fancy articles, needle-work, wax-work, paintings, photographs, sewing machines, musical instruments, &c., in the Hall, attracted much attention; as did also the fruit department, which was very fine. The exhibition of Agricultural Implements and Agricultural Products and Stock, was also fuller than usual. It was unquestionably the best exhibition held since the Society was organized. The attendance was large up to Wednesday evening, when rain set in. It is raining steadily to-day, (Thursday,) as we go to press, which we suppose will necessitate a postponement of the trials of speed announced for to-day. We hope to give the awards of premiums in our next issue.

On Wednesday afternoon the County Trot for $25 premium came off—best two out of three heats—with the following entries:

T. T. Tate, "Lady Emma;" M. H. Thomas, "Lady Flora;" Thomas A. Warren, Bay Mare; James Hersh, Bay Mare; Leander B. Yeagy, Bay Mare; Jacob Riley, "Sleepy Jim;" David Donahue, Brown Horse.

The first heat was won by Hersh's Bay Mare; time 3.21—Thomas, Warren and Donahue being distanced.

The second heat was also won by Hersh's Bay Mare; time 3.21—taking the premium.

For the premium of $15, Thomas, Warren, Yeagy, Riley and Donahue entered the same horses. Donahue was distanced on the first heat, which was won by "Sleepy Jim;" time 3.31. The second heat was also won by "Sleepy Jim;" same time, taking the premium.

For the Racking and Pacing Premium of $10, the following entries were made:

J. A. Houck, Bay Horse; W. A. Pitzer, Brown Mare; Ham. Bayly, Roan Horse.

Pitzer's Brown Mare won the fist heat; time 3.23. The second and third heats were won by Houck's Bay Horse; time 3.22 and 3.23—taking the premium.

Charles A. Diehl has sold his farm in Germany township, 129 acres, to Jacob Eply for $4,800.

Hon. J. J. Kuhn, Assignee of John Nichtman and wife, has sold the farm of said assignors, in Reading township—66 acres, at $70.50 per acre to George Chronister.

David B. Pentz, Assignee of Cornelius Nichtman and wife, Reading township, has sold the farm of said assignors, 66 acres, at $44 per acre, William Criswell purchaser.

Wm. H. Hagarman has purchased Dr. Ensor's property in Mountpleasant township, 40 acres, with improvemements, for $2,250 cash.

Joseph Spangler has purchased Jacob Trostle's property in same township, 35 acres, with improvements, for $3,750 cash. David Sneeringer has purchased 10 acres from Joseph Spangler, without improvements, at $50 per acre.

The administratrix of Jacob March, deceased, has sold the real estate of said decedent, in Latimore township, 78 acres, to Josiah C. Bowers, for $3,075.

The farm of Michael Miller, Mountpleasant township, purchased by Rev, J. B. Beamer, contains 143 Acres, and the price paid was $4,400 cash.

The executor of Rosa Ann Frank, dec'd, sold the house and lot of decendent, in East Berlin, for $814 cash, to Rolandus Atland.

COPPERHEAD MEETING.—The Cops had a meeting in the Court-house on Wednesday evening, for the benefit of B. F. Meyers. For a week or two the town and county had been placarded with bills inviting "white men" to turn out en masse and hear the Democratic candidate for Congress. Either the "white men" have become scarce, or the old slogan has lost its power with the unterrified. Wednesday evening came—the bell rang—drums beat—but the rank and file failed to put in an appearance. Finally, with the aid of a number of Republicans attracted to the meeting by curiosity, about two-thirds of the sitting accommodations of the Court room were occupied, and Mr. Meyers was formally introduced by Wm. McClean, Esq. He spoke for about an hour, on Free-trade, Protection, the War and the Nigger. Mr. M. is not a strong or attractive speaker, and evidently failed to interest his auditors, as one by one they left, until at the close scarcely more than half remained. It was a dull spiritless meeting, and in all respects a failure.

REPUBLICAN MEETINGS—In another column will be found an announcement for Meetings to be held at Bendersville, York Springs and Gettysburg, on Tuesday, Wednesday and Thursday evenings next. Mr. Cessna is busily engaged in the other counties and can only give us three days next week. He will speak at each of these places.

Hon. John Allison, of Washington, D. C., Register of the Treasury, will speak at Bendersville and York Springs, and probably at Gettysburg. Mr. Allison is a gentleman of much ability and his position in the Treasury Department necessary makes him thoroughly familiar with the National Finances, and he will give special attention to the issues connected therewith.

Let citizens of all parties, who want to hear a fair and candid discussion of the issues involved in the present campaign attend these meetings, and hear Messrs. Cessna and Allison.

~~There will also be a Meeting at Fair~~field on next Monday evening, Oct. 3, which will be addressed by Hon. John Allison, D. McConaugy, Esq., and others.

AURORAL DISPLAY.—On Friday and Saturday evenings we had unusually brilliant displays of auroral lights. That on Saturday evening attracted much attention. While a border of silvery light fringed the clouds resting on the northern horizon, golden and purple streams flamed toward the zenith from the west and east, with constantly changing hue, at times assuming the appearance of huge waves rolling upwards, wave following wave in rapid succession, to be lost in the skies. It was a magnificent display. The cause of these mysterious phenomena is still involved in doubt; but it is now generally conceded that electricity has much to do with them, the old ice-berg theory being exploded.

SPECIAL COURT.—The following additional cases were disposed of at the Special Court last week:

Executors of Abraham Krise vs. Francis Caldwell. Assumpsit, to recover $200 and interest advanced to defendant by Krise in the purchase of a tract of land. Verdict for Deft for $292.29.

Wm. Kingling vs. Charles Huth and James Philips. Assumpsit to recover $400 for services rendered defendants in mining ore. Defendants plead payment and undertook to show that Plff was in their debt. The case was carried over from Saturday to Monday of this week, when it was resumed. On Monday night it was given to the jury, who next morning rendered a verdict for Plaintiff for $70.22.

FOR SALE CHEAP.—A good second-hand Falling and Shifting-top Buggy. Enquire at this office.

NEWS OF NEIGHBORING COUNTIES.

FREDERICK.—On Monday a week a son of John Troxell, near Graceham, aged 18 years, had his ankle dislocated and leg broken, while loading phosphate at the plaster mill of Tyson & Son in Frederick.—Rev J. N. Unruh, of the Mechanicstown Lutheran church, has received a call to the Lutheran church at Williamsport, Pa.

WASHINGTON.—About two weeks ago Mrs. Jacsb Friese, of Hagerstown, ran the point of a nail in her foot, inflicting a slight wound which apparently healed up. A few days after inflammation set in, resulting in lockjaw, and death on Saturday evening.

YORK.—Theodore P. Bender, a young man, formerly engaged in the liquor business in York, but more recently doing a commission business in Baltimore, in partnership with Nathaniel Foust, of Glen Rock, eloped with the wife of his partner, leaving his wife and child in York. Bendre, before leaving, appropriated all Mr. Foust's funds and borrowed from other parties until it is supposed he had some $30,000 with him when he took his departure. It is rumored that Bender has secured a divorce from his wife and one also for Mrs. Fous from her husband through the accommodating laws of Indiana.—In an altercation at a house of ill-fame, in York, on the night of the 20th inst., Edward Pfahler, son of Sheriff Pfahler, shot a man from Reading named Koch in the neck, inflicting a dangerous wound.—Pfahler has absconded. On Saturday evening his father, Sheriff Pfahler, while conversing with his family, suddenly fell dead, of heart disease. Gov. Geary will have the appointment of a successor, to serve as Sheriff until the election of 1871, it being too late to elect this fall.

Just before the game was begun, the Gettysburg Nine were made the recipients of two handsome "foul flags," from some unknown ladies. The club desire us to tender their thanks to the fair donor.

On Saturday a game was played at East Berlin between the first nine of the "Junior Red Stockings," and six of the "Masonic" club, the score standing—Masonic 52, Jr. Red Stockings 22.

SALE POSTPONED.—Mr. Hankey, Assignee of Daniel Leer and wife, having adjourned the sale of the valuable Real Estate of said Leer, it will take place on Thursday, Oct. 20. See adv.

WANTED.—The undersigned wishes to rent a farm to work on the shares. Apply to John Thomas, Graffenburg, Pa.

HEWLETT is admitted to be the best platform talker in the country—brim full of wit, humor and sarcasm. He will talk to-night, in Agricultural Hall.

AROMATIC SCHIEDAM SCHNAPPS seem to be extensively gaining on public confidence, and promises to take the place of every other liquor now in use, especially for medicinal use.

This is not surprising: for, apart from its being found in most of our respectable its being strongly recommended by the physicians, the mild and agreeable taste of this article, contrasted with the strong, pungent and actial sensation produced on the palate by the common deleterious article—which is now the general complaint of nearly all the medical faculty of this country—would, of itself, suffice to give it the decided preference. If prescribed as a medicine, it is not bad to take; and to use as a beverage it is considered by judges to be superior to any article of the kind ever imported into this country. 1t

LOOK HERE.—E. Woodward has commenced, in connection with his Gunsmithing, the repairing of Umbrellas, Parasols, &c., which he will warrant to be better fixed than is done by the majority of Umbrella-menders. Any person wishing work done in this line can leave word at his shop on Carlisle Street, and it will be sent for and returned. Charges moderate. He also has still on hand a variety of Battle-field Relics, of any kind and style, a large assortment of Canes, &c. Call and see him. tf

THE BEST STOVE now in market, for beauty, economy, and comfort, is admitted all around to be the MORNING GLORY. It defies all competition, and that is the judgment of all who have used it. It is just the thing for Offices, Stores, Parlors and Chambers. Call at C. H. Buehler's Ware Room, opposite the Passenger Depot, and examine for yourselves. tf

A CHANCE FOR BARGAINS.—Messrs. Cobean & Cunningham having determined to close out their stock of Ready-made Clothing, are now selling all kinds of Coats, Pants, Vest, &c, at largely reduced prices—many of them less than cost. Now is the time to secure Bargains. The goods are all first-class and will positively be sold without regard to cost. aug.12.tf.

HEWLETT will deliver his "Hits at the Times," in Agricultural Hall, without fail. No postponement on account of weather.

ATTENTION FARMERS.—Try the celebrated Patent Elastic Rubber-lined Collars, Saddles, and Pads. Warranted to prevent horses from galling and to heal up under work horses already galled, if properly fitted; and sore necks and backs are kept clean with water and castile soap, or no pay. For sale by J. W. Cress, Manufacturer's Agent, Gettysburg. sep10—tf

SAVE MONEY.—Pending the agitation of the Funding Bill, which will evidently depreciate Government Bonds, persons would do well by reading the advertisement of the "Gettysburg National Bank," in another column, and exchange their Government Bonds and realize a handsome profit thereby, and obtain an investment as safe and profitable. tf

DEDICATION POSTPONED.—The re-dedication services of Mountjoy Lutheran Church, announced for last Sabbath, (the 18th,) did not take place on account of the inclement weather. The services were postponed until *Sunday the 2d of October*, at 10 o'clock, A. M. The public and neighboring Ministers are invited to be present. Sept 23—2t

PRIME OYSTERS.—E. H. Minnigh makes it a point to serve up the VERY BEST Oysters that can be secured in the Baltimore market. He has special accommodations for Ladies and Gentlemen, who will find every thing in prime order. Oysters served up in every style, to suit the most fastidious. Call and see for yourselves.

WITHIN THE WHOLE RANGE of tonic and alterative medicines known, none is entitled to more consideration than the Peruvian Syrup. In all cases of enfeebled and debilitated constitutions it is the very remedy needed. The most positive proof of this can be adduced. 1t

ALWAYS AHEAD.—Capt. Norris is determined not to be outdone by rivals, and has again added largely to his stock for fall and winter wear. If you want a fashionable Hat, Cap, Coat, Pants, or Vest, for fall or winter wear, or a good pair of Boots or Shoes or any kind of underwear as cheap as before the war—Norris' Head-Quarters is the place, (Arnold's corner) young gents. If you want a fashionable Tie or Bow, don't forget that Norris is getting new styles every week, and always has the latest. His stock of Hats is the largest in the county and greatly reduced in price, all styles and price. If you want to save money go to Norris' corner. Sept.16—tf

BOROUGH TAXES.—The Town Council being in want of funds, and a large number of assessed Taxes being unpaid, the Collectors have been instructed to proceed to an IMMEDIATE COLLECTION of all outstanding Borough Taxes. Tax-payers in arrears will be called on by the Collectors in the course of a few days, and all who wish to save costs will do well to make arrangements for prompt payment —as payment, under the orders of the Council, will be enforced by legal process. Sept. 30–3t.

MINNESOTA:

Its Resources and Progress—Its Beauty, Healthfulness and Fertility, and Its Attractions and Advantages as a Home for Immigrants—A New Book Free of Cost, compiled from official sources and published by direction of Governor Horace Austin.

In a convenient and readable form it exhibits the inducements offered by Minnesota to persons seeking new homes, and includes official statistics illustrative of the marvellous growth and development of that young, vigorous and healthy state.

Other publications to attract Immigrants usually deal in indiscriminate puffery and grossly exagerated statements. This gives a candid exhibit of facts, derived chiefly from the State Bureau of Statistics, and otherwise supported by scientific and disinterested testimony of the most incontestible character.

After a short geographical and historical sketch, showing the central position of the state and the events of its young history, follows a description of its beauty and fertility from the testimony of high military and literary authorities; an exhibit of mineral resources; a description of its beautiful lakes, rivers, timber, game and fish; a dissertation on the climate, illustrating its marvellous healthfulness and adaptability to agriculture; shows how the cultivated area grew from 1,900 acres in 1850 to 1,600,000 acres in 1869, with a surplus of 14,000,000 bushels of wheat for export; gives tables of comparison, proving officially that Minnesota excels Iowa and Ohio in her average product of wheat, and all other staples except corn; shows a more ample and effectual water power than all New England, and that, while not a tithe of this power is yet used, the extent and value of manufactures have increased 245 per cent. in nine years.

The book also shows the value and importance of the lumbering interest, commercial resources and progress, navigation, railroads constructed and projected, including the Northern Pacific—already energetically pushed forward—the amazing development of common schools from thirteen districts, five school houses and 250 scholars in 1851, to 2,521 districts, 1,929 school houses and 102,086 scholars in 1869—progress in population in which the State is shown to have outstripped all her sisters. Due attention is given to political and social institutions, government, taxation, value of property, distribution of wealth, improvement of farms, exemption laws, law of descent, legal practice, statistics of charitable institutions, poor, post offices, newspapers, religion, Sunday Schools, Masons, Odd Fellows, &c.

It concludes with a chapter on "Public Lands, how and where to get them," shows the amount of unoccupied lands, how to obtain "free farms," gives the location of the government land offices, describes the different classes of public lands and the several modes and cost of obtaining them under the homestead laws, by pre-emption, &c., with suggestions as to the manner and cost of starting farms, when to commence, what money can do, what pluck and muscle may do—wages, employment, and who should come to the State—affording, in short, all such information as emigrants most need.

Part of the edition is accompanied with an excellent map, showing the character of the different localities, &c.

This book will be sent to any address in America or Europe, free of postage or other expense, on application to E. PAGE DAVIS, Commissioner of Immigration for the State of Minnesota, No. 156 Broadway, New York, where all information in regard to the State will be cheerfully given. Sept. 9, 1870–4w

JUDGMENTS AND MORTGAGES.—In 1868 the legislature, in view of the difficulty which was encountered in borrowing money at six per cent. in competition with the United States bonds—which were free of tax and producing a much larger interest—passed a law exempting mortgages and judgments not given by corporations from all taxation except that by the State. The county of Lancaster accordingly, in obedience to the law, levied no taxes last year on judgments and mortgages. The city of Lancaster, however, construed the law as applying only to mortgages and judgments for purchase money, and therefore insisted on taxing all other judgments and mortgages. The question has been brought to a legal test before the court of the county, and it has been decided that judgments and mortgages of no kind are liable to taxation, whether held as security for purchase money or by parties at second hand as a safe investment of their spare capital. This decision will be read with great interest in all parts of the State, and will have a tendency to induce men of means to invest in this class of securities.

MANHOOD

IN THE YOUNG AND RISING GENERATION.

The vegetative powers of life are strong, but in a few years how often the pallid hue, the lack-lustre eye and emaciated form, and the impossibility of application to mental effort, show its baneful influence. It soon becomes evident to the observer that some depressing influence is checking the development of the body. Consumption is talked of, and perhaps the youth is removed from school and sent into the country. This is one of the worst movements. Removed from ordinary diversions of the ever-changing scene of the city, the powers of the body, too much enfeebled to give zest to healthful and rural exercise, thoughts are turned inwards upon themselves.

If the patient be a female, the approach of the menses is looked for with anxiety, as the first symptom in which Nature is to show her saving power in diffusing the circulation and visiting the cheek with the bloom of health. Alas! increase of appetite has grown by what it fed on; the energies of the system are prostrated, and the whole economy is deranged. The beautiful and wonderful period in which body and mind undergo so fascinating a change from child to woman, is looked for in vain: the parent's heart bleeds in anxiety, and fancies the grave but waiting for its victim.

HELMBOLD'S EXTRACT BUCHU, for Weakness arising from excesses or early indiscretion, attended with the following symptoms: Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Langour, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of Attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable to such patients than Solitude, and nothing they more dread, for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a hurried Transition from one question to another.

These symptoms, if allowed to go on—which this Medicine invariably removes—soon follow Loss of Power, Fatuity, and Epileptic Fits, in one of which the patient may expire.

During the Superintendence of Dr. Wilson at the Bloomingdale Asylum, this sad result occurred to two patients; reason had for a time left them, and both died of epilepsy. They were of both sexes, and about twenty years of age.

Who can say that these excesses are not frequently followed by those direful diseases Insanity and Consumption? The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

> "With woeful measures wan Despair
> Low sullen sounds their grief beguiled."

Whilst we regret the existence of the above diseases and symptoms, we are prepared to offer an invaluable gift of Chemistry for the removal of the consequences. HELMBOLD'S HIGHLY CONCENTRATED FLUID EXTRACT OF BUCHU. There is no tonic like it. It is an anchor of hope to the surgeon and patient, and this is a testimony of all who have used or prescribed it.

Sold by Druggists and Dealers everywhere.—Price $1.25 per bottle, or six bottles for $6.50. Delivered to any address. Describe symptoms in all communications.

HOW TO CURE

CONSUMPTION!!

THE PHILOSOPHY OF DR. SCHENCK'S GREAT MEDICINES.—Will people never learn to know that a diseased liver and stomach necessarily disease the entire system? The plainest Principles of common sense teach this, and yet there are hundreds who ridicule the idea, and continue in the course which almost inevitably brings them permaturely to the grave. Living as the majority of the people do, at complete variance with the laws of nature, it must be apparent to all that, sooner or later, nature will revenge herself. Hence we find that persons who indulge to excess in the use of very rich or indigestible food or intoxicating drinks, invariably pay a heavy penalty in the end. The stomach becomes disordered and refuses to act; the liver fails to perform its functions, dyspepsia and its attendant evils follow, and still the suffering individuals persist in clinging to the thoroughly exploded ideas of the past. Dr. Schenck's medicines are recommended to all such. They bring sure and certain relief wherever they are used as directed, and all that is necessary to establish their reputation with every ailing man or woman in the land is a fair and impartial trial of them. Let those who are skeptical on this point, and who have permitted interested persons to prejudice them against these new celebrated remedies for Consumption, discard their prejudices, and be governed by the principles of reason and common sense. If the system is disordered depend upon it, in nine cases out of ten the seat of disorder will be found in the stomach and liver. To cleanse and invigorate the stomach and to stimulate the liver to healthy action use,

SCHENCK'S MANDRAKE PILLS.—The daily increasing demand for these pills is the best evidence of their value. Thousands upon thousands of boxes are sold daily. Why? Simply because they act promptly and efficiently. Invalids who may not find it convenient to call on Dr. Schenck in person are informed that full and complete directions for use accompany each package of the MANDRAKE PILLS, PULMONIC SYRUP AND SEAWEED TONIC.—These medicines will cure consumption unless the lungs are so far gone that the patient is entirely beyond the reach of medical relief.

It may be asked by those who are not familiar with the virtues of these great remedies, "How do Dr. Schenck's medicines effect their wonderful cures of consumption?"

The answer is a simple one. They begin their work of restoration by bringing the stomach, liver and bowels into an acive healthy condition. It is food that cures this formidable disease.—SCHENCK'S MANDRAKE PILLS act on the liver and stomach, promoting healthy secretion, and removing the bile and slime which have resulted from the inactive or torpid condition of these organs, and of the system generally. This sluggish state of the body, and the consequent accumulation of the unhealthy substances named prevent the proper digestion of food, and, as a natural consequence creates disease, which results in prostration and finally in death.

SCHENCK'S PULMONIC SYRUP and SEAWEED TONIC, when taken regularly, mingle with the food, aid the digestive organs, make good rich blood, and as a natural consequence, give flesh and strength to the patient. Let the faculty say what it may, this is the only true cure for consumption. Experience has proved it beyond the shadow of a doubt, and thousands are to-day alive and well who a few years since were regarded as hopeless cases, but who were induced to try Dr. Schenck's remedies, and were restored to permanent health by their use.

One of the first steps the physician should take with a consumptive patient is to invigorate the system. Now how is this to be done? Certainly not by giving medicines that exhaust and enervate—medicines that impair instead of improve the functions of the digestive organs. Dr. Schenck's medicines cleanse the stomach and bowels of all substances which are calculated to irritate or weaken them. They create an appetite—promote healthful digestion—make good blood, and, as a consequence, they invigorate and strengthen the entire system, and more especially those parts which are diseased. If this cannot be done, then the case must be regarded as a hopeless one.

If the physician finds it impossible to make a PATIENT FEEL HUNGRY, if the diseased person cannot partake of good nourishing food and properly digest it, it is impossible that he can gain flesh and strength; and it is equally impossible to bring a patient to this condition so long as the liver is burdened with diseased bile, and the stomach laden with unhealthy slime.

Almost the first request made to the physician by a consumptive patient is that he will prescribe medicines that will remove or allay the cough, night sweats and chills, which are the sure attendants on consumption. But this should not be done, as the cough is only an effort of nature to relieve itself, and the night sweats and chills are caused by the diseased lungs. The remedies ordinarily prescribed do more harm than good.—They impair the functions of the stomach, impede healthy digestion, and aggravate rather than cure the disease.

There is, afrer all, nothing like facts with which to substantiate a position, and it is upon facts that Dr. Schenck relies. Nearly all who have taken his medicines in accordance with his directions have not only been cured of consumption, but, from the fact that these medicines act with wonderful power upon the digestive organs, patients thus cured speedily gain flesh. Cleansing the system of all impurities, they lay the foundation for a solid, substantial structure. Restoring these organs to health, they create an appetite. The food is properly assimilated; the quantity of blood is not only increased, but is made rich and strong and in the face of such a condition of the system all disease must be banished.

Full directions accompany each of the medicines, so that it is not absolutely necessary that patients should see Dr. Schenck personally, unless they desire to have their lungs examined. For this purpose he is at his principle office, No. 15 North Sixth St., corner of Commerce, Philadelphia, every Saturday, from 6 A. M., until 1 P. M.

Advice is given without charge, but for a thorough examination with the Respirometer the charge is $5.

Price of the Pulmonic Syrup and Seaweed Tonic each, $1.50 per bottle, or $7.50 a half dozen. Mandrake Pills 25 cents a box. For sale by all druggists. [June 10, 1870-1y
